

Vivek Singh Memorial Trust

Vivek—Ek Ujjwal Bhavishya

"and the show must go on", a saying vividly inculcated from the inception of a thought to its execution to bring about a change that we know as Vivek-Ek Ujjwal Bhavishya. Trust, means faith and embodying this quality, we have joined hands to help people in need, the have-nots or the less-privileged to prosper and to pursue their dreams without the usual slackening of economics.

Prof. Indrajit Basak

of NIT Durgapur is now the Honorary Member of our Trust and his guidance would be a great boost to the activities of the trust in and around Durgapur area.

Vivek Singh Memorial Trust has extended the Each One Teach One Project to

Bihari More near NIT Durgapur, which is executed by a dedicated team of college students - Bihari More Education Project team.

AAYUSH— A Health Care Initiative

AAYUSH is an initiative carried on by the Trust with the aim of raising health and hygienic level in our country by providing assistance in kind or in cash to the

poor and needy people.

The Trust hopes that this initiative will be a stepping stone for our nation that will help in attaining the

vision of Universal Health Coverage in India. Blood Donation Camps have been organized as a part of this project.

Vivek Singh Memorial Scholarship

Vivek Singh Memorial Scholarship has been started in the year 2010 for the students of NIT Durgapur.

The disbursement of the scholarship is done by the members of the Managing Committee in collaboration with the Student's Welfare Department at NIT Durgapur.

The scholarship is currently restricted to be given to one individual in an academic year and the amount has been raised to 12,000 INR from 2012-13.

Ms. Priyanka Rajpoot has been awarded scholarship for 2012-13. She was adjudged the most deserving one among all the 25 can-

didates and is selected on the basis of her academic and extra curricular achievements and final interview process.

The scholarship for previous years were awarded to Mr. Nikhil Sancheti (2011-12) and Mr. Gaurav Jain (2010-11).

Blood Donation Camps - 11th February and 2nd October 2012

Vivek Singh Memorial Trust organized a blood camp in National Institute of Technology, Durgapur on **2nd October 2012**. The Camp took place at the Medical Unit premises of the National Institute of Technology, Durgapur. A strong team of Doctors and Medical staff from SAIL DSP Main Hospital arrived at sharp 9:30 am and started off the Blood donation process from the student volunteers. The blood donation process included registration, blood group check, medical checkup of donors, approval of donor's donating condition and finally the blood donation. The DSP Mains Hospital collected 24 blood donations in total as per their requirement. The NIT Campus Medical Officer, Dr. Sarkar and Medical Unit staffs were highly cooperative in organizing the Camp along with the student volunteers. The DSP Hospital Directors; Dr. Omesh Khurana, Dr. A.K. Singh and Senior Official Dr. Choudhury were also present at the Camp giving cheers of applause to the spirit of NIT students. Prof Indrajit Basak was instrumental in mentoring the volunteers to look into the detailing of organizing the Camp.

Vivek Singh Memorial Trust also organized a blood donation camp in National Institute of Technology, Durgapur on **11th February 2012**. The camp was organized with the help of doctors from Asansol Sub Divisional Hospital and volunteers from the college. Over 150 students participated in this camp.

BLOOD DONATION CAMP

in memory of
SWETA SINGH 1987-2012
Batch of 2010, NIT Durgapur

"To laugh often and much; to win the respect of intelligent people and the affection of children...to leave the world a better place...to know even one life has breathed easier because you have lived. This is to have succeeded."

Living for the moment and finding joy in the smallest of things made her unique to a world where people obsess over what they do not possess instead of cherishing what they do. We are alive but she actually lived... She bravely fought her ailment to the end, never losing her smile. It was due to the contribution of donors like you that she was able to replenish her strength whenever her defences were breached by the deadly disease of Cancer. Because of your blood donation, someone gains a fresh lease at a life whose real value they truly understand.

About the Trust

The Vivek Singh Memorial Trust has been established in the memory of Late Vivek Singh who passed away in a tragic accident on 29.03.2009 at the age of 22. As a great human being, he laid down his life in an attempt of saving someone else's.

Vivek Singh was a student of the Electronics and Communication Engineering of 2005-2009 batch at National Institute of Technology, Dur-

gapur. He was one of the out-standing students of the institute. He had an aura of his own with enormous knowledge, brilliance and witticism. He was a great friend and a wonderful human being. He was a kind hearted person with a very helpful nature. The trust is aimed at honouring his spirit of helping others.
